the yoga sutra is the living source wisdom of the yoga tradition and is as relevant today as it was 2 200 years ago when it was codified by the sage patanjali using this ancient yogic text as a guide we can unlock the hidden power of yoga and experience the promise of yoga in our lives by applying its living wisdom in our practice we can achieve the purpose of life lasting fulfillment and ultimate freedom the secret of the yoga sutra is the first practitioner oriented commentary of the yoga sutra which is fully grounded in a living tradition it shares the essence of pandit tigunait s rigorous scholarly understanding of the yoga sutra through the filter of experiential knowledge gained through decades of advanced yogic practices and enriched by the gift of living wisdom he received from the masters of the himalayan tradition

patanjali muni wrote the following due to great daya on human beings after doing sarirasuddhi and obtaining kaya siddhi and through that and favourable to this a vaidya sastra and after doing vak suddhi and from that achieve sabdha brahma upasana to give wellness and for this vyakaraṇa of panini grammar to cleanse manas and attain kaivalya this yoga sutra important attributes are achievements of yoga sastra are 1 svarupa of yoga sadhana 2 super natural power one gets as side effects 3 siddhi and kaivalya in these matters upanishad and yoga sastra do not have any contradiction in fact yoga is a tool to achieve the tatva of upanishad and to see them by oneself the clashes come because yoga takes sankya sastra as base yoga and sankya have many differences with sastra and upanishad in some important matters yoga sastra and upanishad do not agree on certain views chapter summary sutra 1 2 defines yoga 3 4 options for awareness from sutra 5 to 11 description of vṛtti from sutra 12 to 16 how to control vṛtti by abhyasa practice sutra 17 18 division of samadhi into samprajnata and asamprajnata sutra 19 some discussions on other states that resemble the samadhi sutra 20 to 22 how to attain samadhi some pointers sutra 23 introduction of ishvara and he is the easy method of attaining samadhi sutra 24 to 26 his nature sutra 27 to 29 chanting ishvara's name sutra 30 and 31 distractions of manas mind and their accompanying effect sutra 32 to 40 meditation on any object to combat these distractions sutra 41 to 45 concept of samapatti and its varieties sutra 46 to 48 fruits of samapatti sutra 49 object of samapatti discussion of samprajnata samadhi sutra 50 51 asamprajnata samadhi

the yoga sutra is the living source wisdom of the yoga tradition using it as a guide we can unlock the hidden power of yoga and experience the promise of yoga in our life the yoga sutra is as fresh today as it was 2200 years ago when it was discovered by the sage patanjali it is the first practitioner oriented commentary which is fully grounded in a living tradition by applying its living wisdom in our practice we can achieve the purpose of life lasting fulfillment and ultimate freedom

book i samadhi pada this book is a study guide for the first of the four books of the yoga sutras of patanjali it contains the original sanskrit text with transliteration english translation and a word by word breakdown of the translation there is a thorough commentary on each sutra which is based firmly in classical yoga yet written with the western student in mind there is an introduction and a comprehensive glossary of the sanskrit terms used in the text

meticulously researched and compellingly written the gift of consciousness is an engaging and approachable overview of patañjali's yoga sutras through the prism of both eastern and western psychology grounded in a thorough knowledge of the sanskrit original and training in psychology gitte bechgaard opens out these complex texts to the general reading public bechgaard's clear eyed approach makes this ancient text relevant to anyone interested in yoga philosophy and practice this book

pain is a harsh reality we all are familiar with at times many of us can feel mired down by the daily struggles and stressors of life unsure if there is anything such as true peace pantajali's yoga sutras has long been recognized as an infallible guide to discovering the eternal joy

and ultimate freedom that the great masters declare to be the birthright of every human being in the practice of the yoga sutra sadhana pada pandit tigunait elaborates on patanjali's succinct and straightforward plan to transcend pain and embrace lasting happiness he points out the obstacles both known and unknown that prevent us from creating and living the life we dream of and assures us that we are destined to discover our pure being and experience lasting joy in this much anticipated sequel to the secret of the yoga sutra pandit rajmani tigunait combines his rigorous scholarly understanding of yoga philosophy with the knowledge gained through decades of advanced yoga practice through this lens he demonstrates how patanjali's systematic 8 part plan for mastering the roaming tendencies of the mind opens the door to infinite possibilities ushering us into a vibrant experience of ourselves as the highest expression of the joy of our creator

patanjali yog sutra the eternal path of mind body and spirit in an era defined by unprecedented distraction and disconnection the yoga sutras of patanjali offer something extraordinary a complete science of consciousness systematically mapping the territory of human awareness and providing practical methods for its transformation composed over two millennia ago these 196 aphorisms represent one of humanity's most profound explorations of the mind and the path to liberation this comprehensive guide illuminates patanjali's masterwork for the modern seeker making ancient wisdom accessible without diluting its depth the book begins by establishing historical context exploring who patanjali was and the intellectual landscape of ancient india that gave birth to this systematic philosophy it examines why the text's precise dating remains elusive yet why this uncertainty matters little compared to the sutras enduring validity proven through countless practitioners transformative experiences across centuries the unique sutra format compressed aphorisms designed for memorization and contemplation receives thorough exploration readers learn why these threads of wisdom were crafted with such economy how to approach their multiple layers of meaning and why translation alone cannot capture their full significance the text demystifies key sanskrit concepts that have no direct english equivalents chitta the field of consciousness vritti mental fluctuations samadhi meditative absorption and the crucial distinction between purusha pure consciousness and prakriti all that changes at the heart of the book lies a detailed examination of the yoga sutras four chapters the samadhi pada defines yoga as the cessation of mental fluctuations and describes various states of meditative absorption from initial concentration to the ultimate liberation where consciousness recognizes itself without distortion the sadhana pada presents the famous eight limbed path from ethical foundations yamas and niyamas through physical posture and breath work to the progressive internalization of attention culminating in samadhi itself the often misunderstood vibhuti pada explores the extraordinary capacities siddhis that can emerge from practice not as goals to pursue but as signposts indicating progress and paradoxically as potential obstacles if they become objects of attachment the final kaivalya pada addresses ultimate liberation the state of absolute freedom kaivalya where consciousness rests in its own nature no longer confused with the temporary phenomena it observes throughout the book balances philosophical rigor with practical application each concept is grounded in lived experience with examples showing how ancient teachings address contemporary challenges managing

anxiety through breath work transforming reactivity through non attachment finding stability amid chaos through meditation and cultivating ethical relationships through the yamas and niyamas the text confronts difficult questions honestly why does patanjali's system seem dualistic separating consciousness from matter how do the sutras relate to other yoga traditions and indian philosophies what about the supernatural powers should modern practitioners take them literally how can we practice authentically while avoiding cultural appropriation what does liberation actually mean in practical lived terms special attention is given to common misunderstandings particularly the western reduction of yoga to physical exercise the book reclaims yoga's psychological and spiritual dimensions while honouring the body's role in practice it explores how the yoga sutras inform contemporary psychology neuroscience and consciousness studies demonstrating their relevance beyond any single cultural or religious context practical guidance accompanies theoretical understanding e

the yoga sutras of patanjali book 2 sadhana pada what relevance does the wisdom of the ancient and timeless practice and philosophy of yoga have for us today has the world qualitatively changed such that the principles of life and the dynamics of consciousness as observed by the seers and teachers of ancient times are no longer relevant is modern culture's aim of freedom to pursue desires and experience the world through the senses a sufficient explanation and justification of life in sadhana pada the ageless methods for achieving freedom from desires are presented these life changing principles and practices are offered here so that they can be tested and experienced in the setting of modern life the experience of peace that they bring can then be measured against the experience of a life spent fulfilling desires

this is an english rendering of the classical text on yoga and meditations that maintains the poetic forms of the sutras patanjali is to yoga what buddha is to buddhism his sutras scriptural narratives sometimes defined as literally the path to transcendence are a darshan or philosophical worldview and method to aid the awakening of self realization patanjali reveals a set of landmarks that enable practitioners to lift the veils and study the hidden self eventually following this path to enlightenment

even though yoga has been mentioned in various ancient texts the vedas upanishads the bhagavad gita etc the credit for putting together a formal cohesive philosophy of yoga goes to sage patanjali this yoga sutras are an important milestone in the history of yoga this 195 aphorism are short and easy to memorize patanjali's sutras are the most popular and widely recognized techniques for training one's body evolving one's mind and achieving fulfillment the book contains four books samadhi pada 51 sutras sadhana pada 55 sutras vibhuti pada 55 sutras and kaivalya pada 34 sutras large print edition easy to read layout excerpt the yoga sutras of patanjali are in themselves exceedingly brief less than ten pages of large type in the original yet they contain the essence of practical wisdom set forth in admirable order and detail the theme if the present interpreter be right is the great regeneration the birth of the spiritual from the psychical man the same theme which paul so wisely and eloquently set forth in writing to his disciples in corinth the theme of all mystics in

all lands we think of ourselves as living a purely physical life in these material bodies of ours in reality we have gone far indeed from pure physical life for ages our life has been psychical we have been centred and immersed in the psychic nature some of the schools of india say that the psychic nature is as it were a looking glass wherein are mirrored the things seen by the physical eyes and heard by the physical ears but this is a magic mirror the images remain and take a certain life of their own thus within the psychic realm of our life there grows up an imaged world wherein we dwell a world of the images of things seen and heard and therefore a world of memories a world also of hopes and desires of fears and regrets mental life grows up among these images built on a measuring and comparing on the massing of images together into general ideas on the abstraction of new notions and images from these till a new world is built up within full of desires and hates ambition envy longing speculation curiosity self will self interest

after the publication of yatharth geeta which is a commentary on srimad bhagavad gita the devotees requested the revered swami ji to throw light on patanjali s yog darshan too because yog is related with self realisation it cannot be perceived on material grounds the revered maharaj shree is a mahapurush who has passed through all the stages of yog the present work is the collection of what maharaj shree delivered in his preaching patañjali divided his yoga sutras into four chapters or books sanskrit pada containing in all 196 aphorisms divided as follows samadhi pada 51 sutras samadhi refers to a blissful state where the yogi is absorbed into the one samadhi is the main technique the yogin learns by which to dive into the depths of the mind to achieve kaivalya the author describes yoga and then the nature and the means to attaining samādhi this chapter contains the famous definitional verse *yogaś citta vritti nirodhaḥ* yoga is the restraint of mental modifications sadhana pada 55 sutras sadhana is the sanskrit word for practice or discipline here the author outlines two forms of yoga kriya yoga action yoga and ashtanga yoga eightfold or eightlimbed yoga kriya yoga is closely related to karma yoga which is also expounded in chapter 3 of the bhagavad gita where arjuna is encouraged by krishna to act without attachment to the results or fruit of action and activity it is the yoga of selfless action and service *ārthaārtha* yoga describes the eight limbs that together constitute rāja yoga vibhuti pada 56 sutras vibhuti is the sanskrit word for power or manifestation supra normal powers sanskrit siddhi are acquired by the practice of yoga combined simultaneous practice of *dhāraṇā* dhyana and samādhi is referred to as samyama and is considered a tool of achieving various perfections or siddhis the temptation of these powers should be avoided and the attention should be fixed only on liberation the purpose of using samadhi is not to gain siddhis but to achieve kaivalya siddhis are but distractions from kaivalaya and are to be discouraged siddhis are but maya or illusion kaivalya pada 34 sutras kaivalya literally means isolation but as used in the sutras stands for emancipation or liberation and is used interchangeably with moksha liberation which is the goal of yoga the kaivalya pada describes the process of liberation and the reality of the transcendental ego by going through this commentary one can understand what yog is but the real perception of yog is possible only after practical pursuit of yogic sadhana with tap swadhyaya ishwar pranidhan and chanting of om the real sadhana starts by their practice the avidhya and kleshas got removed and the self starts transmitting beneficial vistas in their light alone the yogic maxims written by maharishi patanjali can be truly comprehended yog is direct

perception no oral or written words can explain it practical pursuits alone can make the comprehension of yog darshan possible

the yoga aphorisms of patanjali are a fundamental text on the practice of integrated living attaining fitness and joy and preparing oneself for liberation even today such practices are alive in ashrams gurukuls and villages many enlightened masters are teaching such values across the globe it is hoped that this book re interpreted in the context of modern thinking and lifestyle will encourage educational institutions the medical fraternity and administrators worldwide to see how well the practice of yoga especially pranayama and meditation can be approached and deployed with success mankind s prayer and gurudev sri sri s vision of a disease free body quiver free breath stress free mind inhibition free intellect obsession free memory ego that includes all and soul which is free from sorrow can then be easily realized it is also meant for use in sanskrit grammar colleges the original sanskrit text is given with a latin transliteration and an english commentary

is yoga philosophy compatible with christianity is yoga philosophy spiritual deception is yoga philosophy same as yoga exercises can a christian stretch the yoga way or does it automatically mean something wrong in debunking yoga philosophy a christian response we embark on a rigorous intellectual journey to examine the fundamental principles of yoga and compare them with the teachings of christianity through a lens of critical inquiry and philosophical analysis we seek to uncover the truth about yoga and its compatibility or lack thereof with christian faith

a concise and poetic rendering that conveys the essence and depth of this perennial classic of yoga this beautiful poetic rendition of patanjali s yoga sutras was gathered from mukunda s lifetime of abiding in the good company of the saints and sages of the great tradition we can rely upon the fact that these words come from his own authentic experience of love and life and of yoga please enjoy this gift of poetry from mukunda and embrace the beauty of your life every day mark whitwell author of yoga of heart the healing power of intimate connection patanjali is to yoga what the buddha is to buddhism his yoga sutras literally the path to transcendence are a means to profound self realization and are considered the spiritual and philosophical root of the yoga tradition in its various forms this concise poetic rendering of the classic yoga sutra text conveys both the essence and depth of the yoga tradition mukunda stiles had a lifelong devotion to the spiritual practice of yoga here he shares patanjali s essential work with precision and insight he also includes a succinct line for line commentary as well as word by word sanskrit to english translation

in present times stress has become an integral part of human life though this statement sounds quite negative but sadly true so stress is inescapable for us consequently giving rise to many fatal diseases and medical conditions owing to life style disorders which is not a good sign this book is a combination of explanatory chapters on different tenets of yoga health stress management culture communication and folk music the book has 5 chapters with further subdivisions based on different subjects directly or indirectly related

with yoga overall health management and cultural communication chapter 1 holds the information about role of bureaucracy in india and its challenges and opportunities chapter 2 talks about mid life crisis and its various perspectives chapter 3 carries a review on different plant potential with ant diabetic and anti oxidants properties chapter 4 is dedicated to yoga and its different practices like yoga and stress management yogic management and lung cancer ashtanga yoga sleep apnea management through yoga yogic diet and nutrition mental health in yoga yoga for diabetes yogic impact on obesity yogic treatment for back pain benefits of yoga during pregnancy yogic impacts on respiratory disorders mud therapy naturopathy and primary care medicinal plant against covid 19 effects of yoga on herniated disc pranayam yoga mudras meditation mental ailments and treatment in yog darshan and an elaborate discussion on yoga plays a vital role in education that holds the power to transform the world so the entire chapter 4 is about yogic sciences its treatments and impacts on different health problems chapter 5 includes flavours of culture and communication as it contains sub divisions on role of folk music in traditional forms of communication and transformation in the art of tabla music and dilli gharana beside that this sub division also has a chapter that elaborates about the significance of dhol as a prominent folk music instrument in uttarakhand in this highly competitive age yoga had emerged as a life saving alternative therapy that could cure ailments completely if practiced right and dedicatedly no one can escape from stress and it affects not only our own lives but impacts our loved ones lives like our family relationships friends and our career also if we see a bigger picture than it is evidently clear that stress is the cause root of deadly diseases and affects the entire society negatively by changing physiological and biochemical process in a human body yoga is a practice that aligns our body and mind through different exercises and breathing activities moreover yoga is not only a science rather in recent past it had been established through many researches that yoga is a way of life it leads towards a happy contented and fulfilling life

explores the experience of yoga in the yogasutra of patanjali

yoga sutra has its roots in the depth of spirituality it is an ancient form of living and one cannot deny its relevance and significance in today s world patanjali s yoga sutra translated from sanskrit to english by swami vivekananda is a guide to anyone who is interested in walking down the spiritual path the sutras discussed in the book are almost 4 000 years old and swamiji has tried its best to present them in his native form there are four main chapters in the book samadhi pada sadhana pada vibhuti pada and kaivalya pada these padas take us through yogic teachings some of which include the importance of meditation ethics physical postures ways to increase concentration attaining liberation of both mind and body through yoga and ultimately it takes us to the path of self realization the book does not only theorize spirituality and yoga but also reinstates its practice in our daily life because philosophy and spirituality are void without practice there is an in depth and insightful commentary on each of the chapters the book defines the original philosophic and historic perspective on yoga and does not limit itself to the physical practice of yoga but goes beyond it the book elevates our day to day life in a kind a fulfilling manner in today s world the significance of this book is highly contextual and can change an individual s perspective towards life

this is the book to refer to get a proper understanding of the philosophy of yoga i have gone through other books b k s iyengar georg feuerstein swami prabhavananda and some audio cassettes on the yoga sutras this is by far the best book on the subject the sutras are beautifully explained in layman terms with ample annotations the sutras in samadhi pada and sadhana pada are covered extensively whenever there was a discrepancy in the translation among different authors such as sutras 18 19 33 of sadhana pada which have been interpreted very differently i found the translation and explanation in this book to be most logical intuitive and complete swami satchidananda s book on the sutras is one of the best for digging into the background and foundations of the sutras and his commentary unlike iyengar s and most other eastern commentaries is clear simple and easy to understand swami satchidananda is clearly in touch with the truth that he is illuminating with this book and it s also clear from the powerful tone of authority with which he writes that he has reached the state of awaking which is the end purpose of the sutras it is rich in historical information and its tone is true to the purpose of the sutras i would recommend it for for all aspiring yogis
